The senior club trains every Wednesday 7-9pm at Westfield Academy, Stiby Road, Yeovil. Approximately 50 ladies train each week, including the u16 age group.

Training sessions are lead by head coach, Sam Newton. She varies her training from skills and match play to fitness and strength & conditioning.

Matches are played on Saturdays at Westfield Academy, with indoor matches played at Oxley Sports Centre, Sherborne (mainly Babylon & Newton). All teams play in the same YNC Kukri Kit.

In the event of very bad weather communications will be sent out via 'Teamer.net', coaches/captains and the website.

## Kit

YNC's kit is a range of Kukri Kit. Our club colours are Bottle Green, Navy and White.

All players must provide their own kit for matches. All players play in a Bottle Green, Navy & White Kukri dress, with navy hot pants underneath and if needed a navy skin under garment. Players can optionally purchase other YNC kit including, Kukri tracksuit bottoms & top, sweatpants, gilets and YNC Navy hoodies which can be purchased from Banana Moon.

If you would like to order kit from Kukri, the club has an order form, which needs to be given to Lesley How.

Hoodies from Banana Moon can be purchased via this link.

## **Junior Club**

### **Message from the Junior Chairperson**

As well as a strong senior netball club, Yeovil Netball Club also has a thriving junior section. Girls from the age of 11 to 16 are trained by enthusiastic coaches to develop their skills in passing, defending and attacking. Training on a weekly basis, their ability develops quickly and gets put into practice in county tournaments once a month. Yeovil Junior Netball Club offers girls the chance to play, learn and socialise in the sport they enjoy.

Jess Childs

Chairperson

### **Junior Committee Members**

### **Website & Social Media**

YNC have a successfully run website, Facebook page and Twitter account. All are regularly updated with useful information for the club. All three update members such things as match results, fixtures, important documents and is used as a helpful communication tool.

[www.yeovilnetballclub.co.uk](http://www.yeovilnetballclub.co.uk)

New to this season, we, as a club, are going to trial a new website software called 'Teamer.net'. It will hopefully help with people management and communication. Teams within the UK and the world use it so hopefully it will be a success for YNC. To explore the software either look on their website or wait until added at the start of the season.

If you would like to include anything new on the website, please contact Hollie Wright.

### **Newsletter**

YNC produce a quarterly newsletter which is emailed out to the club and posted on the website and Facebook. It updates the club on many different aspects.
